

AUDITION SCENE - Don Dash (Male Identifying 45 - 60 y.o.)

SCENE: Don is on the back end of too much talking and just wants to watch tele. Ramsey has something to discuss about her condition..

Directors Notes:

EXIT Deidre.

Ramsey walks to the table & picks up the phone bill.

RAMSEY: Whoa, stinker!

DON: Who the hell is SMS? Some kinda' girly group I don't know about?

Slight pause.

Don turns on the TV.

RAMSEY: Dad?

DON: Hmm..

RAMSEY: I'm going to get a tattoo?

DON: Name me one girl on this earth who looks better with a tattoo?

RAMSEY: Miley.

DON: Never heard of her. Trust me - the last thing a man wants to see on a woman's naked body is a tattoo.

RAMSEY: Bit too much info.

DON: You asked; I told ya. Over my dead body.

RAMSEY: All the kids have 'em.

DON: More reason not to. Be an individual girl.

(Don looks her up and down and says under his breath)

You've got a good head start.

RAMSEY: People take notice of me. 'Hey, nice tatt'.
It makes a statement.

DON: ***(holding up the phone bill)*** I'll give you a statement../

RAMSEY: ../ I'm not that little girl anymore; I've changed. It's all changed. I, I can't explain it.

DON: Are you in some kind of trouble?
Is it that boy Ronnie told us about?

RAMSEY: She's got a big mouth.

DON: And he's got wandering hands apparently! Is it him?

RAMSEY: No, and Yes. He's just a crush. I think!!

DON: Then talk to your Mum. She's got the boy department worked out. I wouldn't know about boys...

RAMSEY: Sometimes Mum's can drift into fairy land.

DON: Or that nice woman?

RAMSEY: That psycho Mrs Smythe?

DON: I think you'll find it's called 'Psychologist'. Agnes!

RAMSEY. *"It's time to grow up now LITTLE Ramsey!"* She's a moron!

DON: I'm pretty sure she was Anglican.

Don drifts his attention to the television.

BEAT

RAMSEY: What if I know something bad and it happens, and ../

DON: ***(fixed on the Tele)***../ having those thoughts again?
Ooh, Burgo's Catchphrase.
